

PRODUCT CATALOG 2023

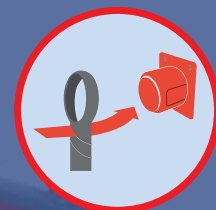

Fayina wants everyone to clean more effectively. Cleaning should be enjoyable that's why we created durable quality products such as microfiber mops, dusters, cleaning sponges, flexible telescopic handles, even a flexible floor squeegee among others.

QUICK CLICK SYSTEM

With our innovative Quick Click System, you can easily interchange handles with accessories. Add length for those hard to reach places.

At Fayina we have thought of how to store our products in compact places. Our products have a built-in storage loop that is compatible with our wall mounted storage hanger. Use it in your office, dorm, home, store, etc.
